

Soldering and welding

SUPER FIRE 2

HEAVY DUTY hard soldering device

- Piezo ignition:
Immediate flame ignition once button is pressed
- Integrated constant pressure regulator:
Constant and uniform pressure at all temperatures

No.	Specification	Box Qty	DG
3.5645	SUPER FIRE 2 torch	1	3
3.5650	SUPER FIRE 2 Set Hose adapter R 3/8" L (No. 3.5647), Multigas 300 (No. 3.5510), universal base (No. 3.5622)	1	3

POWER FIRE

PROFI hard soldering device

- Piezo ignition:
Immediate flame ignition once button is pressed
- Integrated constant pressure regulator:
Constant and uniform pressure at all temperatures

No.	Specification	Box Qty	DG
3.0812	POWER FIRE Handle	1	4
3.5427	POWER FIRE MAPP® Set, Mapp® Gas (No. 3.5551-A)	1	4

ROFIRE PIEZO PRO

SPECIAL soldering device

- Piezo ignition:
Immediate flame ignition once button is pressed
- Operates - 360°:
Ideal for overhead working,
no pre-heating time needed

No.	Specification	Box Qty	DG
3.5560	ROFIRE PIEZO PRO with ROGAS 2000 (No. 3.5540)	3	4

ROFIRE PIEZO 1950° C

ECONOMY Soldering device

- Piezo ignition:
Immediate flame ignition once button is pressed
- Operates - 360°:
Ideal for overhead working,
no pre-heating time needed

No.	Specification	Box Qty	DG
3.5429	ROFIRE PIEZO with Multigas 300 (No. 3.5510)	3	4

ROFIRE 1800° C

ECONOMY Soldering device

- Integrated precision regulating valve:
Precision adjustment of the torch flame
- Torch head with built-in support stand:
Optimum handling

No.	Specification	Box Qty	DG
3.5428	ROFIRE 1800° C with Multigas 300 (No. 3.5510)	1	4

ROFLAME PIEZO 1800° C

CLASSIC soldering device

For soft soldering and other applications.

No.	Specification	Box Qty	DG
3.5931	ROFLAME PIEZO with Multigas 300 (No. 3.5510)	5	4

ROOFING-SET

Propane gas heat-up torch with Ø 60 mm heavy-duty torch head.

Set consisting of: propane gas handle (No. 3.0910D), 60 mm heavy-duty torch head (No. 3.2163), 600 mm torch pipe (No. 3.2160), 5.0 m propane gas hose (No. 3.2203), pressure regulator (No. 3.0925), torch rest (No. 3.2213).

No.	Specification	Box Qty	DG
3.0957E	ROOFING-SET	15	3

MULTI 300 Propane soft soldering set

For soft soldering, tin-plating, pre-heating and burning off.

Set consisting of: soft soldering iron with 350 g flat copper head (No. 52.0849), pressure regulator (No. 3.2082), 2 m propane gas hose (No. 3.0927), small propane gas bottle 0.5 kg with hook (No. 3.3079).

No. 3.5488 additionally comprising: soft soldering torch Ø 17 mm (No. 52.0856) / Ø 20 mm (No. 52.0857), broad torch 45 mm (No. 52.0845), transfer nozzle (No. 3.2207) and accessories.

No.	Specification	Box Qty	DG
3.5489	MULTI 300 Set	1	3
3.5488	MULTI 300 Set in steel plate case	1	3
